THANK YOU!

Thank you to Beth LaPlante for the last two years as President of Bradley-Bourbonnais Rotary Club. Despite the adversity of COVID, these have been two very successful years. We have seen our Satellite Club, Rotary609, emerge as the newly constituted Rotary Club of Kankakee; we have introduced our latest fundraiser - the much sought after BBRotary Puzzle; we have added new members; have sought to align ourselves with mental health awareness initiatives; and have reached out to solicit new Sister Club alliances in France and Mexico.

BBRotary is in much better position because of the efforts of Beth.
THANK YOU!

TODAY'S SPEAKER

Today's Speaker is Bill Yohnka, Exec. Dir. of the Currents of Kankakee. The Currents is a multi-agency initiative to create an inviting destination along the Kankakee River at Washington and Schuyler Avenues.

Thank you to our Year-long Sponsors for 2023/2024

THIS DAY IN HISTORY

June 21, 1948: Columbia Records unveil the 33-1/3 rpm LP phonograph record invented by Peter Carl Goldmark, allowing up to 20 minutes per side (available in 10 and 12 inch diameters), at the Waldorf-Astoria Hotel, NYC; over the next decade the popularity and profitability of the LP pushed the 78 rpm out of production
