Ukraine: A Country Under Siege Symposium

Friday, September 15, 2023 1pm. Given the tremendous humanitarian support for Ukraine from the Chicago-area Rotary members, RI General Secretary John Hewko is extending an invitation to attend a symposium organized by the Consulate General of Ukraine and a Ukraine-focused foundation. The symposium, which aims to provide a historical context to the current situation in Ukraine, will feature two panels of speakers, including Viktor Yushchenko, the third president of Ukraine, and his wife, former First Lady Kateryna Yushchenko. The discussion will include the history of Soviet aggression against Ukraine and the effects of Russia's disinformation campaign which seeks to influence the war in Ukraine today. For more information see the flyer on the District Calendar. Registration is required at this link - Ukraine Symposium
