GREAT TIME AT THE ROTARY of MORTAGNE AND THE PERCH!

Last December 15th, we had the honor to receive Sophie Roughol, the Governor of the District of Normandy in the Rotary International, at Pin la Garenne. Warmly welcomed by Laurent Maignan, our President of the Percheron Club, the evening was marked by memorable moments.

Sophie praised the exceptional dynamism of Rotarians in the Perche, emphasizing in particular their dedication to youth. A concrete example of this commitment is the Interact club, bringing together 30 young people from the Jean Monnet high school, sponsored by our senior club.

Two foreign students, Isadora from Brazil and Jane from Taiwan, are welcomed for a school year at Jean Monnet High School. In parallel, two young percherians, Gabriel in Japan and **Juliette in Wisconsin, USA**, have the chance to go for a school year abroad.

Our members also responded with an exceptional boost of solidarity by contributing to the replacement of an end-of-life excavator tractor. This effort supports women construction workers guided by the association Mano a Mano, well known in the Perche.
